The Resettlement Scheme Report for South Kanara has not been published in the District Gazette. assumed that after the report was submitted it would be examined by the Board and approved before its publication was ordered. It appears that after the Malabar Scheme Report was formally submitted on 11.8.30, it was examined by the Board and by Government and certain corrections were made. Please see in this connection the unofficial note No. 1699/E.30.4, dated 13.11.30 from the Secretary to Government Revenue Department, to the Superintendent, Government Press, a copy of which was communicated to the Board, and B.P. Mis. No. 3539, dated 1.12.30. I request that I may be informed whether this report is to be published as it stands in the copy submitted in this office Ref. A.2.1553/33.1 dated 4.5.33.

2. I am now proceeding with the translation of the Scheme Report with its appendices, on the assumption that the work has to be done in this office. I request that the Superintendent, Government Press, may be instructed to print, on requisition from me,

the number of copies of the Scheme Report (both ~~in~~ English and Vernacular) with appendices, required by me for publication in the District Gazette and for use in the Collector's office and my office. I shall intimate to him the number of copies required, on receipt of the information from the Collector.

In G.O. No. Mis. 2203/Rev. dated 14.11.1930, communicated with B.P. No. Mis. 3539, dated 1.12.30, the Government approved the proposals of the Board to allow three months' time to the ryots for making representations on the Scheme report for Malabar, the period so allowed commencing from the date of publication of the report in the District Gazette. I request to be informed whether the same period may be allowed to the ryots of South Kanara.

Dated the 24th June 1933.

My dear MacEwen,

Settlement - Re-settlement - South Kanara - Forecast of work to be done in 1933-34 - Memorandum from Board of Revenue, Land Revenue and Settlement, No.F.1005/33 dated the 11th April 1933.

In his letter No.Reference A-2-2572-32-9 dated the 20th February 1933 to the Board of Revenue, Mr. Muir assumed that the scheme report for the resettlement of the South Kanara District would be published in the month of April 1933 and framed his forecast on that assumption. It is observed that the scheme report has not been published in any of the South Kanara District Gazettes received so far. I am to enquire why there has been so much delay in the publication of the scheme report and when it will be published.

Yours sincerely,

A.R.MacEwen Esq., M.C., I.C.S.,

Secretary, Board of Revenue, L.R.& S.

2. In the cases of
Malabar Govt. ordered the withholding
of publication ~~of~~ before the
report was ordered to them by the
Board officially - vide telegram
at p. 51 (M) which is dated 25-7-30

~~and the Board's proceedings~~

~~at (T) which is dated 17-10-30~~

the publication was ordered to be withheld ~~evidently~~ because govt. had certain corrections to the report under consideration vide D.O. at pp 1-2 ~~(T)~~ (W)

These corrections were subsequently carried out: ~~In the case of S. Canara through final copies exchanged with reference to the discussions in the conference were sent to govt they have not hitherto suggested any amendments. Perhaps in view of the definite orders in the G.O. at (U) the S.A.S.O. might have asked for the orders of the Board regarding publication.~~

We SO may be informed that the report may be published in ~~as finally corrected~~ form in which it stands in the copy ordered by him formally thro' the Collr

3/- As regards para 2 of the S.A.S.O's letter a reference to the Govt. Orders & the Govt. is put up below - As in the case of Malabar

(M)

they themselves called for proof copies from the Govt Press & ordered alterations to be made.

In the case of S. Canara no such instructions have been received from Govt. and there seems to be no objection to publish ~~their~~ the Scheme as it stands after writing with reg. to the decision on several points arrived at at the conference. Mr Thorne's D.O. at - 1 / and the enclosure that the Govt. have no further changes to suggest in the wording of the Scheme report.

e allowed to the copies for submitting representation

4/- with reference to

Secy's order at p. 5 above I respectfully beg to submit that I thought that in view of the order at (V) the S.A.S.I. will take the initiative and address the Board after ascertaining from the Collr. the no. of copies required.

I regret very much the error of judgment.
